

COOKIES POLICY

INTRODUCTION

This Cookies Policy explains what cookies are, how we use them, how third-party partners may use cookies on our services, your choices regarding cookies, and additional information about cookies.

WHAT ARE COOKIES?

Cookies are small files stored on your computer or device that track, save, and store information about your interactions with a website. This helps enhance your browsing experience. This policy outlines the types of cookies we use, the data they collect, and how you can manage them. Cookies are categorized as either “**persistent**” (remain until deleted) or “**session**” (expire when you close your browser).

HOW WE USE COOKIES

We use cookies for various purposes, including improving website functionality and enhancing user experience. In most cases, disabling cookies may reduce or impair certain features of the website. Therefore, unless you are certain that you do not need them, we recommend leaving cookies enabled.

MANAGING COOKIES

You can disable cookies through your browser settings (refer to your browser's Help section for instructions). Be aware that disabling cookies may negatively impact the functionality of this and other websites you visit. Certain features and services may no longer work properly if cookies are disabled.

TYPES OF COOKIES WE USE

- **Essential Cookies:** These cookies are crucial for authenticating users and preventing fraudulent activity.
- **Strictly Necessary Cookies:** These enable you to navigate the website and access secure areas or logged-in features.
- **Performance Cookies:** These collect information on how you use the website, such as your username and browsing patterns, to improve website performance and user experience.
- **Functionality Cookies:** These remember your preferences, login status, and customization settings, allowing for a personalized browsing experience.
- **Targeting Cookies:** These cookies, set by third-party partners, deliver ads relevant to your interests by tracking your browsing activity. They help measure the effectiveness of advertising campaigns.

HOW LONG COOKIES STAY ON YOUR DEVICE

- **Session Cookies:** These remain active until you close your browser.
- **Persistent Cookies:** These stay on your device until they expire or are manually deleted. They help retain your preferences and login details for future visits.

THIRD-PARTY COOKIES

We use cookies from trusted third parties, including:

- **Google Analytics:** Helps analyze site usage and improve user experience. For more details, visit the [Google Analytics page](#).
- **Google AdSense:** Uses DoubleClick cookies to show relevant ads and limit ad repetition. For details, visit the Google AdSense FAQ.
- **Social Media Plugins:** Platforms like **Facebook** and **YouTube** set cookies to enhance interactions and gather data according to their privacy policies.
- **Affiliate Tracking:** Tracks referrals from partner sites to ensure proper attribution and reward bonuses where applicable.
