Before accepting any such funds into our bank accounts and/or making any such funds available in your Account with us, we must be fully satisfied that you, as our client, are the sender of such funds, or that such funds have been sent to us by an authorized representative of you, as our client; in those instances where we are not satisfied that you, as our client, are the sender of such funds, or that such funds have been sent to us by an authorized representative of you, as our client, we reserve the right to refund/send back the net amount received to the same remitter from, and by the same payment method through which such funds were received.

16.2 Refunds and Withdrawals

We reserve the right to impose withdrawal limits and withdrawal fees in our systems, at any time.

Upon submitting a withdrawal request, you may be required to submit documentation as required by applicable “Anti Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation” and/or any other similar rules and regulations applicable to us.

When a withdrawal or refund is performed, we reserve the right (but shall, under no circumstances, be obliged) to remit the funds to the same remitter from, and by the same payment method through which such funds were initially received by us. In that connection, we reserve the right, at our sole discretion, (a) to decline withdrawals via certain payment methods; (b) to require another payment method as the one indicated in any withdrawal request, in which instance a new withdrawal request may have to be submitted; and/ or (c) to require that further documentation be submitted, as required by “Anti-Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation” and/or any other similar rules and regulations applicable to us, before proceeding with any withdrawal request.

If we are unable to remit the funds, or any partial amount thereof, to the same remitter from, and by the same payment method through which such funds were initially received by us, we reserve the right (but shall, under no circumstances, be obliged) to transmit the funds via an alternative payment method selected by us, at our sole discretion, in any currency we deem fit (regardless of the currency in which the initial deposit was made). Under these circumstances, we shall not be responsible for any transfer fees or charges incurred by the receiver and/or for any currency exchange rates resulting from the payment of such amount.

Withdrawal requests that are accepted and approved by us in accordance with the terms of this Agreement are, in principle, processed on the same day that the request to withdraw funds was made, or the next working day if the Client's request is received outside of normal trading hours. The amount to be transferred reduces the balance of the relevant Account, from which such transfer is to be made, when the transfer request process is concluded. We reserve the right (a) to decline a withdrawal request if the request is not in accordance with the provisions of this Section, or (b) to delay the processing of the request if we are not satisfied with the ancillary documentation submitted with the withdrawal request.

You agree, when we request, to pay any bank transfer fees incurred when you are withdrawing funds from your Account or when funds are refunded by us to your designated bank account. You are solely responsible for the payments details you are providing us with and we do not accept any responsibility for your funds, if the payment details you have provided us are incorrect or incomplete. 17. LIMITATIONS OF LIABILITY AND INDEMNITY

17.1 Nothing in the Operative Agreements will exclude or restrict any obligation or liability which Royal may have or owe to the Client under Applicable Regulations, nor any liability which Royal may incur under the Law or Applicable Regulations in respect of a breach of any such obligation, nor will anything in the Operative Agreements require the Client to indemnify or compensate Royal to any extent prohibited by Applicable Regulations.

17.2 In the event Royal may provide advice, information or recommendations to the Client, Royal shall not be responsible for the profitability of such advice, information or recommendations. The Client acknowledges that Royal shall not, in the absence of its fraud, willful default or gross negligence, be liable for any losses, costs, expenses or damages suffered by the Client arising from any inaccuracy or mistake in any information given to the Client including, without limitation, information relating to any Transactions. Subject to the right of Royal to void or close any Transaction in the specific circumstances set out the Operative Agreements, any Transaction following such inaccuracy or mistake shall, nonetheless, remain valid and binding, in all respects, on both Royal and the Client.

17.3 Royal will not be liable for any loss or expense incurred by the Client in connection with, or directly or indirectly arising from:

- (a) any error or failure in the operation of or any delay caused by the Client Terminal;
- (b) Transactions made via Client Terminal or telephone;
- (c) any failure by Royal to perform any of its obligations under the Operative Agreements as a result of a cause beyond its control; or
- (d) the acts, omissions or negligence of any third party.

17.4 The Client will indemnify Royal and keep Royal indemnified on demand in respect of all liabilities, costs, claims, demands and expenses of any nature whatsoever which Royal suffers or incurs as a direct or indirect result of any failure by the Client to perform any of the Client's obligations under the Operative Agreements.

17.5 Royal shall under no circumstances be liable to the Client for any consequential special or indirect losses, loss of profits, loss of opportunity (including in relation to subsequent market movements), costs, expenses or damages the Client may suffer in relation to the Operative Agreements, unless otherwise agreed in the Terms of Business.

18. COMPLAINTS MANAGEMENT PROCEDURE

18.1 If any conflict situation arises when the Client reasonably believes that Royal as a result of any action or failure to act has breached one or more of the terms of the Operative Agreements, the Client has the right to lodge a complaint with Royal as soon as reasonably practicable after the occurrence of the event.

18.2. The Client may, in certain cases, refer the matter to the Financial Ombudsman Service of Cyprus.

18.3 The Client's right to take legal action remains unaffected by the existence or use of any complaints procedures referred above. However, the Financial Ombudsman Service may not adjudicate on any cases where litigation has commenced.

18.4 To file any complaint, the Client should follow the procedure outlined in the Complaints Handling Procedures & Policy posted on its Website.

18.5 Royal has the right to dismiss a complaint in case it does not comply with the requirements set out above.

18.6 The Server Log File is the most reliable source of information in a case of any dispute. The Server Log File has the absolute priority over other arguments including the Client Terminal Log File, due to the fact that the Client Terminal Log File does not register every stage of the execution of the Client's Instructions and Requests.

18.7 If the Server Log File has not recorded the relevant information to which the Client refers, the argument based on this reference may not be considered.

18.8 Royal may indemnify the Client by:

- (a) crediting/debiting the Client's Trading Account: this correcting entry will have an explanatory narrative; and/or
- (b) reopening erroneously-closed positions; and/or

18.9 Royal has the right to choose the method of indemnification at its sole discretion.

18.10 Complaints on matters not mentioned in the Operative Agreements are resolved in accordance with the common market practice and at the sole discretion of Royal.

18.11 If the Quotes Flow has been interrupted due to a software and/or hardware failure, all decisions in regard to the complaint will be made on a basis of the live Server's Quotes Base, synchronized in accordance with the Terms of Business.

18.12 Royal shall not be liable to the Client if, for any reason, the Client has received less profit than the Client has hoped for or has incurred a loss as a result of uncompleted action which the Client had intended to complete.

18.13 Royal shall not be liable to the Client in regard to any indirect, consequential or non-financial damage (emotional distress, etc.).

18.14 The Compliance Department shall consider any Client's complaint and endeavor to investigate any Dispute or complaint as soon as reasonably practicable. All complaints will be considered within five (5) Business Days from the day the complaint is received.

18.15 Royal shall have the absolute right to refuse a complaint lodged by a Client.

18.16 If the Client has been notified in advance by Client Terminal internal mail or some other way of routine construction on the Server, complaints made in regard to any unexecuted Instructions or Requests which are given during such a construction period, are not accepted. The fact that the Client has not received a notice shall not constitute a reason to lodge a complaint.

18.17 Complaints in regard to a Transaction or Order execution based on the price difference between the Contract for Difference in the Client Terminal and the underlying asset of the Contract for Difference are not accepted.

18.18 Complaints in regard to time of Order execution notwithstanding the amount of time a Dealer needs to execute the Order as well as the time when the Server Log-File Recorded Order execution are not accepted, unless the Order placed in the queue has not been executed as the Terms of Business provide.

18.19 No Client complaints will be accepted in regard to the financial results of the deals made using temporary excess Free Margin on the Trading Account gained as a result of a profitable position (cancelled by the Company afterwards) opened at an Error Quote (Spike) or at a Quote received as a result of a Manifest Error.

18.20 In regard to all disputes, any references by the Client to the Quotes of other companies or information systems will not be taken into account.

18.21 The Client acknowledges that he/she will not be able to manage the position while the dispute, in regard to this position, is being considered and no complaints in regard to this matter are accepted.

18.22 The Client acknowledges that Royal will not notify him/her that the dispute has been resolved and the position has been reopened and that the Client shall be responsible for all the risks in this respect.

18.23 Once the dispute has been resolved the Royal has the right to trigger the Stop Loss or Take Profit in the chronological order in which they would have been triggered, if the Stop Out has not been executed.

18.24 Royal has the right to void any Transaction if the corresponding hedge trade has been cancelled by a Liquidity Provider.
